

BUS LOYALTY PROGRAMME

Date: 18 December 2018

BENEFITS FROM THE BUS LOYALTY PROGRAMME

BUS CARD:

Every bus driver with a licence can get their Marché BUS card. The card may be acquired with a completed and confirmed form at the **following locations: Marché Ravna Gora, Draganić Sjever, Dobra East, Dobra West** . We issue anew only temporary cards and only to drivers or guides who are on a business trip with a group. Temporary cards feature the same benefits as permanent/plastic cards, which are issued after approximately ten arrivals with guests.

Validity of BUS cards: Marché Croatia, Slovenija, Austria, Hungary.

FOOD AND DRINK: Bus drivers and tourist guides are rewarded with free food and drinks consumed on the spot **for every stop on a business trip** at Marché and Marché Mövenpick restaurants and cafés (this does not apply to Take Away restaurants).

A driver or guide may get one meal and one drink for one card.

The BUS card does not apply for commercial goods (including commercial drinks) and alcoholic beverages.

Repeat visits without guests, which are automatically counted by the register: when the average number of guests in the last 10 visits is 0–3, this means a **reduced scope of benefits: 'warm drink' or 'warm drink + sandwich or dessert'**, everything else must be paid for by the driver.

The warning ceases to apply when the driver brings guests.

ISSUING OF VOUCHERS: A driver or guide receives an e-voucher worth EUR 5 if they bring **15 or more passengers for a breakfast or lunch**. An e-voucher is not issued if passengers only use the toilets or if they are guests of the filling station and not of the Marché restaurant. An e-voucher is automatically loaded onto a BUS card when 15 or more guests brought by the driver or guide are entered.

The driver or guide must receive a slip stating the amount of credit.

Validity and use: Marché Slovenia or Croatia until 31 December in the current year.

PRIVATE VISITS: Drivers or guides who are not on a business trip (they are not in uniform / do not have proper accreditation or not travelling on a bus) are not eligible for the benefits from the Bus Loyalty Programme. They may use a voucher in this case.
